

**COBB COUNTY
DEPARTMENT OF TRANSPORTATION
PRE-CONSTRUCTION DIVISION**

**November 7, 2016
I-20 Eastbound Ramps at Riverside Parkway
Roadway Improvements
Project No. X2409**

ADDENDUM NO. 1

Proposals Received Until November 10, 2016 –12:00 Noon Local Time

The following addendum hereby amends and/or modifies the Request for Proposals (RFP) as issued for this project. All proposals are subject to the provisions of this Addendum. **Proposers shall acknowledge receipt of this addendum.**

I. QUESTIONS

- Q.** For the way-finding signage mention on page 2. Are typical GDOT brown colored signs (for parks) to be used? Or, does 6 flags have their own branding design that will be used? Or, does the County have a specific design for the signage?

A. Branding design has not been determined. Cobb will work with Six Flags on branding and signage requirements based on County codes.
- Q.** Has a signal warrant analysis been completed? If not, is traffic data available?

A. A signal warrant study was previously completed and will be provided to the Consultant. If additional counts are needed, it will be determined during scoping phase and included as part of the scope/fee.

Questions should be sent via email to purchasing@cobbcounty.org no later than 12:00 noon on Monday, November 7, 2016

Michael L. Francis, P.E.
Pre-Construction Engineer

**Cobb County
Department of Transportation
Preconstruction Division**
